

Happy Thursday

I hope this note finds you doing well. I am writing to share some exciting news. I am in the process of shifting the focus of my blog posts, web content and the services I offer to greatly benefit entrepreneurs, leaders and small businesses. Although I will continue providing relevant content that will prove useful to career professionals, **I will use my copywriting skills and marketing strategy to help those of you in the business community command higher profits and influence in your business and your life.**

As a **THANK YOU** for being on my email list, I am opening the doors on an amazing opportunity for you. I would like to offer you the following writing services at a greatly reduced price, for a **very limited time.**

- \$27 Resume / cover letter critique
- \$27 Presentation critique (limit 20 slides)
- \$67 Email Campaign for a product launch or release (limit 3 emails)
- \$67 Auto-responder Series (limit 3)
- \$97 Landing Page / Web Copy – short form (2 page limit)

**So you will be getting persuasive and effective copy for your website, emails or resume/cover letter for just a fraction of the profits you will get in return. Talk about a ROI...it is quite amazing!**

**Please note:** These are **NOT** my regular rates. They are being offered for a very limited time as a way of thanking you for being a part of my community and introducing you to my writing services.

p.s...a few of these will even be reviewed by my millionaire copywriter and marketing expert mentor. She normally charges \$5000 just to critique an email so you will be receiving **enormous value (meaning profits)** for a very nominal fee. I will be opening this up to my Facebook community next week so if you want to take advantage of this incredible opportunity, you must take action today. I can only accept the first 10 qualified assignments.

p.s.s. If you have a website that's not converting visitors into paying clients like you'd like or if you have a product, program or service to offer or if you are a professional/leader and need help with your resume/cover letter or an upcoming presentation, then contact me immediately and let me know how I can serve you.
