

***Do you have a vision that God has placed within you? Have you been delayed in walking it out? Do you need a system that will teach you how to manifest the vision?***

## ***The Vision Manifestation Bootcamp Is Your Solution!***

As HIS-entrepreneurs, we are well versed on having a vision and purpose for our lives. But, even with our knowledge, we sometimes lose our footing: The **vision may seem too BIG** or overwhelming. We may **lack the provision** and resources we need. And, at times, we may even **waiver in our certainty** that God really chose us for the job.

**However, you must understand that the vision is NOT too big, the provision IS within you and He DID choose you.**

Do not allow the fear of rejection, the fear of success, the fear of failure or the lack of resources, confidence or knowledge prevent you from manifesting the vision.

If you are ready to:

- Yield to the vision God has assigned to you.
- Capitalize on your God-given skills, abilities and talents
- Manifest the provision for the advancement of the Kingdom
- Manifest the provision to support your family in every area
- Tap into the power within you to walk in the fullness of God

**Then, look no farther.**

**The Vision Manifestation Bootcamp will help you do that and more.**

There is a sense of urgency in the Kingdom and it is time for you to reach the masses. As a Hisentrepreneur, you are called to advance the Kingdom and people are waiting for you to tap into your power. You must begin to take action now.

**In this bootcamp, I will teach you how to expand your effectiveness for God by walking in your vision.**

**As a Bootcamp participant, you will:**

- Gain the knowledge and insight needed to **move forward** powerfully
- Discover the **provision** to manifest the vision
- **Remove barriers** that are hindering your from manifesting the vision
- Create a sociable loop that will **increase your business/message visibility** on the various social media outlets

A vision from God, in itself, is monumental. Therefore, it is understandable that entrepreneurs sometimes get hung up. Consider some of our Biblical champions, like Moses, Esther, and Noah...among others. The tasks they were assigned seemed humanly impossible. And, that may well be the case if we had to do the job ourselves. But, we do not and that, my friend, is the **nature of a vision from God. It is magnificent and huge but we are not alone.**

Just like our Biblical brothers and sisters, when God gives you the vision, he also gives you the provision. It is already inside of you, waiting to be tapped; waiting to be unleashed; waiting to be shared with the Kingdom.

**It is my goal to help you release it.**

With this program, I will walk you through the system that God gave me to help me manifest the visions He has given me.
